Vocational Education and Training for life

VetSkill VTEC Level 2 Certificate for Dog Grooming Assistants

Study this industry leading qualification awarded by VetSkill, an Ofqual regulated awarding organisation.

Learn alongside our experienced tutor in a modern and working salon environment.

www.CareerHounds.co.uk

Your qualification

Learn with us to gain an *industry leading*, recognised qualification awarded by VetSkill, an Ofqual regulated awarding body. The units are as follows:

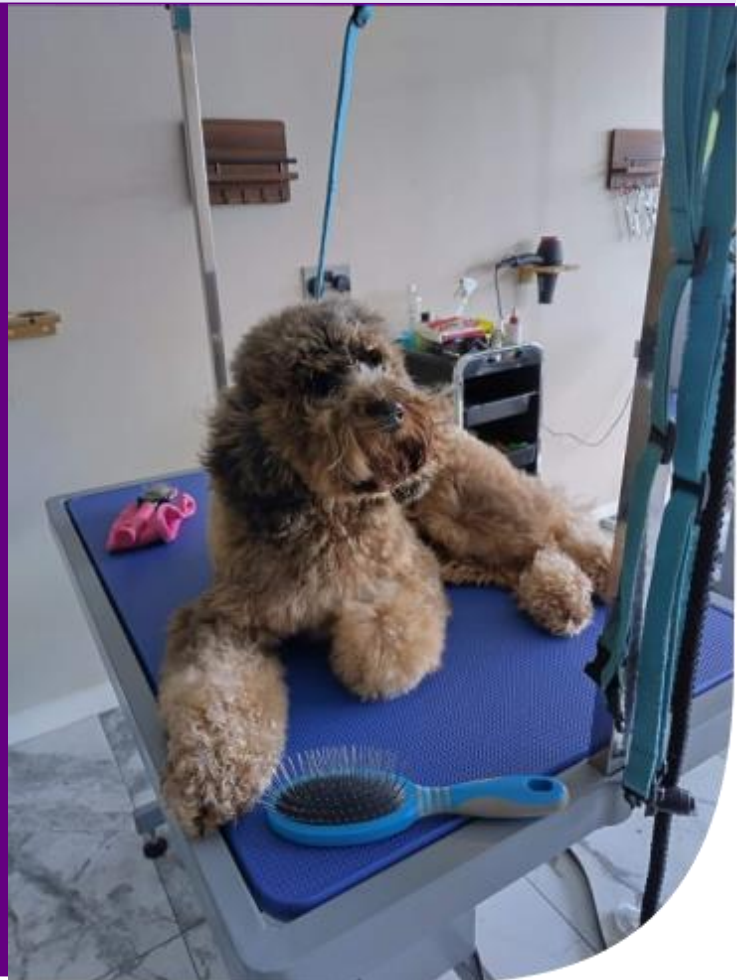

- Health, Safety and Legislation for the Canine Grooming Environment
- Introduction to Health and Welfare for the Dog Grooming Assistant
- Introduction to Canine First Aid
- Canine Behaviour, Handling and Restraint Techniques for the Grooming Assistant
- Biosecurity and Maintenance for Canine Grooming
- Introduction to Customer Service and Sales
- Foundations of Canine Grooming

This qualification would suit anyone wanting to start a career in dog grooming with no previous experience. After gaining this qualification, you could work as an assistant or go on to study towards the VetSkill VTEC Level 3 Diploma in Dog Grooming.

Your learning journey

Your course includes 30 days of training from 8:30am until 3pm. You will gain a foundation of knowledge in a welcoming environment, in a small group, to prepare you for a multiple-choice test.

You will learn fundamental skills in preparing a dog for styling and you will gain essential clipping and scissoring skills. You will independently groom a minimum of 15 dogs of varying breeds, working closely with your experienced tutor, using up to date equipment and techniques.

Got any questions?

Visit us at one of our open days or make an appointment to speak to the tutor.

Your learning journey

You will receive a starter scissor set to use during the course and to keep, and you will have access to everything else you will need for your course.
